☞ **LONGFELLOW ELEMENTARY IS A TITLE I SCHOOLWIDE PROGRAM SCHOOL.** Title I programs at each school will vary, depending on the needs of the school. Every child may benefit from the added services and programs that a School-wide Title I program can offer. A School-wide Program helps a school do more for all of its students.

☞ **OUR SCHOOL STAFF IS COMMITTED TO:**

- Communicating with parents and students regarding academic progress, attendance and behavior through interim reports and report cards (4 each per year), parent/teacher conferences, (11/25/19, 11/26/19, 11/27/19, 2/13/20, and 2/14/20), Wednesday Folders (weekly), HCPSS News Alerts (ongoing), Grade level newsletters (quarterly), agenda book/homework folders (daily), notes/phone calls/emails, as needed. Interpreter services and translated documents are readily available.
- Offering parenting workshops and in-services on topics promoting the academic achievement of all students, as well as, information about MAP and MCAP assessments. A calendar of events will be sent home.
- Establishing a safe, responsible, and respectful learning environment (school-wide PBIS program).
- Providing high quality instructional and curricular experiences as we implement the Maryland College and Career-Ready Standards.

☞ **EXTENDED DAY OPPORTUNITIES:** Some of our children will qualify for an educational opportunity that extends beyond the regular school day. It is the BRIDGES Program, an after school program that focuses on math skills for students in grades 3-5. Students are involved in hands-on, engaging enrichment activities and receive academic support. BRIDGES is funded by a 21st Century CLC grant.

LoES Partners In Learning Compact and Plan

Our Goals for Student Achievement

This plan has been jointly developed by the staff, students, and families of LoES and distributed to the parents of all LoES students.

Longfellow Elementary School Goals

Longfellow administrators and teachers have studied our student performance data to decide on the most important areas of improvement for our school.

For the 2019-2020 school year, LoES grades 3-5 will focus on the following areas:

Math-mastering fluency with multi-digit addition, subtraction, multiplication and division, as well as developing a deeper understanding of fractions and decimals
Language Arts- Common Core directed reading and writing program that fosters critical thinking through a variety of literacy skills

***** PARENTS: Highlight or write in a goal that you would like to focus on for this school year. *****

***** STUDENTS: Highlight or write in a goal that you would like to focus on for this school year. *****

AT SCHOOL, WE promise	AT HOME, YOU promise	As a STUDENT, I promise
<ul style="list-style-type: none"> ▪ {English Language Arts} To provide opportunities to read and interact with fiction and non-fiction texts as well as provide opportunities to write in different genres. • {Math} to provide activities to become fluent with addition, subtraction, multiplication, and division facts. • To provide reading and math support to students who have not yet mastered grade level skills. • To provide meaningful homework that reinforces classroom instruction and provides ways for parents to boost their students' achievement. • To provide family programs to help parents understand the curriculum and ways to help their child at home. 	<ul style="list-style-type: none"> • To make sure that your child attends school every day, gets adequate sleep, and proper nutrition. • To read aloud and provide books for your child to read each and every day. Talk to them about what they read. • To look in the Wednesday Folder, check all work, and review your child's progress. • To check and sign agenda books daily. This will provide you insights into your child's daily behavior, assigned homework and possible communication from your child's teacher as needed. This can frame a nightly discussion about your child's day. • To attend family programs, Back to School Night and Parent Teacher Conferences to help monitor your child's progress. • _____ 	<ul style="list-style-type: none"> • {My reading goal} _____ _____ • {My math goal} _____ _____ • To ask questions at school when I don't understand something. • To do my homework every day and ask for help when I need it. • To talk with my family about what I am learning at school. • To deliver notes and information from school to my family every day. • To be safe, responsible, and respectful each day at school.
